INSTITUTION OF SURVEYORS OF KENYA REPORT OF THE COUNCIL FOR THE YEAR ENDED 31ST DECEMBER 2023

The Council submit their report together with the audited financial statements for the year ended 31st December 2023, which disclose the state and affairs of the Institution.

Principal activities

The principal activity of the Institution is to promote and advance the acquisition of knowledge for the surveyors' profession in Kenya and to promote the general interest of its members.

Formation

The Institution is domiciled in Kenya where it is formed as an Institution under the Kenyan Societies Act, Cap 108. The address of the registered office is set out on page 2.

Result for the Year

The Institution results are set out on page 7.

Executive Committee

The members of the Council who held office during the year and to the date of this report are set out on page 2.

Statement as to Council disclosure to the Institution's Auditor

With respect to each Council at the time this report was approved:

- (a) there is so far as the person is aware no relevant audit information of which the Institution's Auditor is unaware; and
- (b) the person has taken all the steps that the person ought to have taken as a Council so as to be aware of any relevant audit information and to establish that the Institution's Auditor is aware of that information.

Terms of appointment of the Auditor

Messrs Barefoot Accounting Services, Certified Public Accountants has expressed willingness to continue in office in accordance with the Institution's Constitution. The Council monitors the effectiveness, objectivity and independence of the Auditor.

By Order of the Council

President:

Date:

2024.

INSTITUTION OF SURVEYORS OF KENYA STATEMENT OF COUNCIL RESPONSIBILITIES FOR THE YEAR ENDED 31ST DECEMBER 2023	
The Kenyan Societies Act, Cap 108 requires the Council to prepare financial statements for each fingular that give a true and fair view of the financial position of the Institution as at the end of the financial and of its surplus or deficit for that year. It also requires the Council to ensure that the Institution keeps accounting records that (a) show and explains the transactions of the Institution (b) disclose, with reas accuracy, the financial position of the Institution and (c) enable the Council to ensure that every fin statement required to be prepared complies with the requirements of the Kenyan Societies Act, Cap 10	al year proper onable nancial
The Council accept responsibility for the preparation and presentation of these financial statemed accordance with International Financial Reporting Standard for Small and Medium-sized Entities and manner required by the Kenyan Societies Act, Cap 108. They also accept responsibility for:	ents in in the

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE INSTITUTION OF SURVEYORS OF KENYA FOR THE FINANCIAL YEAR ENDED 31ST DECEMBER 2023

Opinion

We have audited the accompanying financial statements of Institution of Surveyors of Kenya set out on pages 7 to 15, which comprise the balance sheet as at 31st December 2023, the statement of surplus or deficit, statement of changes in equity and cash flows for the financial year then ended, and notes, including a summary of significant accounting policies.

In our opinion the accompanying financial statements give a true and fair view of the financial position of Institution of Surveyors of Kenya as at 31st December 2023 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the Kenyan Societies Act, Cap 108.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Institution in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Council is responsible for the other information. Other information comprises the information included in the Annual Report, but does not include the financial statements and our Auditor's Report there on.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Council responsibility for the financial statements

The Council is responsible for the preparation and fair presentation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Kenyan Societies Act, Cap 108, and for such internal control as the Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council is responsible for assessing the Institution's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intend to liquidate the Institution or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF INSTITUTION OF SURVEYORS OF KENYA FOR THE FINANCIAL YEAR ENDED 31ST DECEMBER 2023 (CONTINUED)

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Institution's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institution's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Institution to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other matters prescribed by the Kenyan Societies Act, Cap 108

In our opinion the information given in the report of the directors on page 3 is consistent with the financial statements.

The Signing Partner responsible for the independent audit was CPA Samuel Mwaura, Practising Certificate No. P/2087.

NOTES

1. General Information

The Financial Statements have been prepared to reflect the financial status of the organization and in line with requirements of the Kenyan Societies Act, Cap 108.

2. Basis of preparation and summary of significant accounting policies

The financial statements have been prepared in accordance on a going concern basis and in compliance with the International Financial Reporting Standards by the International Accounting Standard Board. They are presented in Kenya Shillings (Kshs), rounded to the nearest thousand. The measurement basis used is the historical cost basis except where otherwise stated in accounting policies below.

a) Revenue recognition

Revenue represent the fair value of consideration received or receivables for the subscription and other services. Revenue is recognized on accrual basis on subscription receivable from active members.

b) Recognition of expenditure

Expenditure is recognized in the year to which it relates and is accounted on accrual basis.

c) Cash and cash equivalents

Cash and cash equivalents include cash in hand, term and call deposits with banking institutions and other short-term highly liquid invests in money market instruments with maturities of twelve months or less from the date of investment.

d) Receivables

Receivables are carried at actual values of service charge due at year end. Provisions for doubtful receivables and bad debts have been made in cases where the member has been deregistered.

e) Payables

Liabilities for account and other amounts payables are carried out at cost which is the fair value of the consideration to be paid in future for goods and services received, whether billed or not. Financial liabilities are initially recognized at the transaction price i.e. the agreed service and other transaction charges.

f) Provision for liabilities and charges

Provisions are recognized when the institution has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made.

g) Financial liabilities

Financial liabilities are initially recognized at the transaction price (less transaction cost). Trade payables are obligations on the basis of normal credit terms and do not bear interest. Interest bearing liabilities are subsequently measured at amortized cost using the effective interest method.

NOTES (CONTINUED)

h) Property and equipment

Non-current assets purchased by the association are recognized at cost on the Balance Sheet on acquisition.

i) Critical accounting judgements and key sources of estimation uncertainty

In the process of applying the accounting policies, the management assumptions has made judgements, estimates and about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are relevant.

j) Retirement benefit obligations

The Institution and employees contribute to the National Social Security Fund, a national defined contribution scheme. Contributions are determined by the local stature and the Institution's contributions are charged to the statement of surplus or deficit in the year to which they relate.
