SPEAKER'S PROFILE

Mr. Felix K. Koskei, EGH

Chief of Staff & Head of the Public Service

Mr. Felix K. Koskei, EGH, is the Chief of Staff and Head of the Public Service of the Republic of Kenya. Appointed by President William Ruto, he is responsible for coordinating government policies, managing the Executive Office of the President, and overseeing the performance of state corporations and ministries. With over 30 years of public sector experience, Mr. Koskei has held several high-ranking roles, including CS for Agriculture, Livestock, and Fisheries; Commissioner at the Judicial Service Commission (JSC); and General Manager at the Kenya National Highways Authority (KeNHA). An advocate for lifelong learning, he holds a BSc, an MBA, and a Master of Science in Zoology from the University of Nairobi. He is widely recognized for his 'transformational leadership,' focusing on enhancing integrity, transparency, and efficiency across the public service.

Mr. Joel Arumonyang

Principal Secretary, State Department for Public Works

Mr. Joel P. L. Arumonyang is a distinguished public servant currently serving as the Principal Secretary for the State Department for Public Works in Kenya. Born in West Pokot County in 1975, his career is defined by a steady ascent through the ranks of Kenyan governance and a deep commitment to modernizing the nation's built environment. He holds a Master of Business Administration and a Bachelor of Arts in Commerce from the University of Nairobi, complemented by a Post-Graduate Diploma in Purchasing and Supply from the United Kingdom.

His professional journey reflects extensive experience in both local and national administration, having served as a County Executive Committee Member and County Secretary for West Pokot. Additionally, his tenure as a Fund Account Manager for the CDF Board and a Procurement Officer in the Ministry of Regional Development provided him with the technical expertise necessary to oversee high-level infrastructure projects. In his current role, he provides strategic leadership in the development and maintenance of public works, ensuring that national projects meet the highest standards of safety, efficiency, and professional integrity. During his vetting by the National Assembly, Mr. Arumonyang emphasized a "planning-first" philosophy to address urban development challenges, advocating for systematic growth and robust public participation to ensure that infrastructure development is preceded by comprehensive planning. He continues to play a central role in implementing transformative policies that support the modernization of Kenya's infrastructure and the streamlining of public works operations.
